FISU Statutes and Internal Regulations
FISU Secretariat
FISU STATUTES AND INTERNAL REGULATIONS
July 2009
STATUTES OF THE F.I.S.U.
After amendments adopted respectively in Turin 1959, Tokyo 1967, Rome 1975, Sofia 1977, Mexico City 1979, Bucharest 1981, Edmonton 1983, Zagreb 1987, Fukuoka 1995, Palermo 1997, Palma de Majorca 1999, Beijing 2001, Daegu 2003, Izmir 2006, Bangkok 2007 and Belgrade 2009.
TITLE I : NAME, REGISTERED SEAT, OBJECTS AND MEMBERSHIP
Article 1 : Name and registered seat
The de facto association, founded in 1949, and designated under the name of « Fédération Internationale du Sport Universitaire » (F.I.S.U.) (International University Sports Federation), shall be organised and function within these statutes, supplemented by internal regulations.
The duration of F.I.S.U. is unlimited.
The registered seat of the F.I.S.U. is established at its General secretariat office.
Article 2 : Objects
The International University Sports Federation (F.I.S.U.) is dedicated to:
-promote the development of students' physical and sport education throughout the world.
- awarding the organisation, and ensure the promotion and supervision of international sports competitions for students, and in particular the Universiades and the World University Championships.
- work for the coming together and the co-operation of the students of all countries to build the unity of international university sport, the components of which are the national, regional and continental university sport organisations, associations and federations.
- undertake in close co-operation with the national, regional, and continental university sport organisations, associations and federations, and respecting their prerogatives, any activity of common interest likely to encourage the development of physical and sports education at all levels and in all parts of the world.
The objects of F.I.S.U. shall be pursued without political, religious or racial considerations. F.I.S.U. shall act against any form of discrimination or violence in sport.
