Basketball System in the University of Latvia

Arturs Visockis-Rubenis

head coach of University of Latvia men basketball team

Sport & Education

University of Latvia is one of rare **systems** in all Baltic that provides **opportunity for athletes** to get high quality education and in the same time – to grow as an athlete.

Sport & Education

Our aim is to help these young people to grow not just as an athletes but also like personalities with strong character, good value system and high quality knowledge.

University of Latvia – best university in country.

What it gives for university?

- Popularity / Visibility
- Good and positive image
- Opportunities for students
- More students
- Entertainment

“Bullet points”

- Sport & Education
- Strong personalities – character, values, knowledge
- Build a system not club
- Professional system, attitude, work
- High quality marketing
- First – athlete, then result
- We are patriots of University of Latvia
- Enthusiasm
- Hard work
- Social work – we need to give back
- We need to be an example

Basketball system

- Men basketball 1st team – 1st division of Latvia professional basketball league (LBL).
- Men basketball farm club – 2nd division of Latvia basketball league (LBL2) – in cooperation with BS Riga – youth basketball school.
- Women basketball team - 1st division of Latvia professional basketball league (LSBL).
- Men basketball 2nd team – playing in Student basketball league.
- Biggest inside basketball league in all Baltic
- Close cooperation with youth basketball schools from all Latvia: BS Riga/Pārdaugava, Rīdzene, Gulbene, BK “Kolibri”, Mārupe

Basketball system

1st division
MEN &
WOMEN

Men 2nd team
(semi professionals)

Amateur basketball
•Inside basketball league– LUBL
•Voluntary basketball practices

Latvia youth basketball league
(cooperation with basketball schools)

Athlete benefits

- Paid & high quality education
- Sport scholarship
- High quality basketball – 1st division, practices – 2 times in day
- Dorms & free lunch
- Basketball equipment
- Medicine & physiotherapy
- Insurance

Selection

Searching for young basketball players which have aim to develop them in both areas – basketball and education.

- All season long – never stops
- U-19 finals
- Try-out practices
- Video scouting
- Cooperation with youth coaches

Athlete study process

New term: "Athlete student". There aim is not just to be a good student or good athlete. They need to do both in highest quality.

- All players are students.
- They have to have good grades – coaches check them each semester.
- It is possible to agree with professors but they still need do all what usual student do.

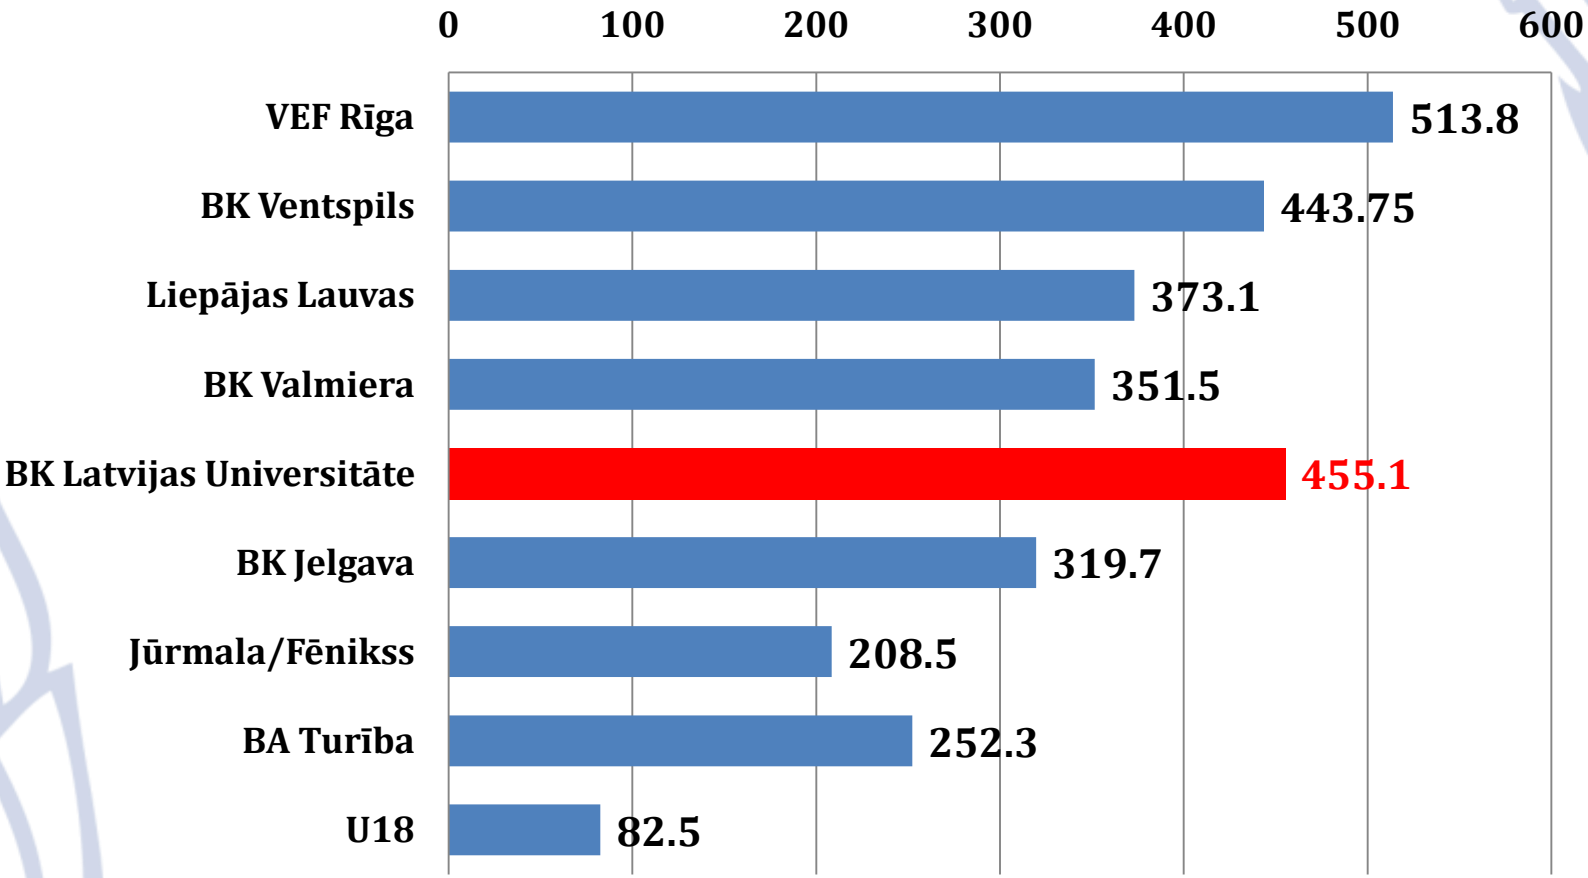

Athlete basketball process

- Two practices per day:
- Morning practice: individual work
- Evening practice: team practice
- One / two time per week: / physical workouts
- Video practices befor / after game

- One or two games per week
- Social events

How do we look like?

University of Latvia men basketball team home game visitor statistic 2011./12. season - 2nd best!!!!
