EAS The Dual Career Network

What The Images Represent

You will see three images, a screen shot of the EAS Website Homepage and growing membership page. An image of the EAS President Tibor Kozsla networking at the 9th Annual Conference, held in September and hosted by The University of Latvia in Riga.

This small collection is an example of a development project for the EAS website which is currently under maintenance. EAS is creating an Image Portfolio which is collected throughout member ' s photography; this includes any imagery from past EAS events & meetings as well as providing an opportunity for our members to promote any upcoming events they are hosting/have hosted.

EAS The Dual Career Network

EAS Executive Board Member Jorg Foerster is attending the conference on behalf of EAS as well as his Institution, the University of Berlin.

Poster Information Leaflet

ENAS has opened up an excellent opportunity for EAS to present itself to those interested in the Dual Career System and those who would like to become a part of a growing foundation supporting European Athletes in combing high performance sport and education.

Becoming a Member

An annual EAS membership fee of **150 Euros**
Please see the poster & the EAS website for member benefits & further details.
2013 will be the year to join EAS, don't miss out!

Poster Submission Session Saturday 10th November

In order for you to receive the full experience of what EAS is about this leaflet was created to guide you through important elements of the poster. If you still have further enquiries then please complete the 'Request Information Slip' which you can find on the back of this leaflet and hand to Jorg Foerster. He will pass this onto EAS Secretariat Abby Foreman who will deal with your request.

Poster Overview

To the left of the poster you have a brief overview of the EAS initiative and contact information, on the right hand side of the poster you will find screen shots from the website, providing you with detailed information about EAS, its ambition and the benefits of becoming a member.

EAS The Dual Career Network

New Website Features

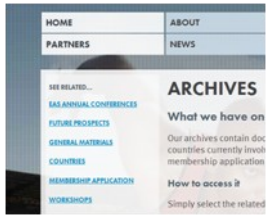

The News Article Blog Forum allows individuals to add their comments on the news items posted. Spam is controlled in order for the public can view these comments.

Integrated Social Media Feed into the website homepage will update website traffic with recent tweets from EAS with the aim of a higher twitter response rate.

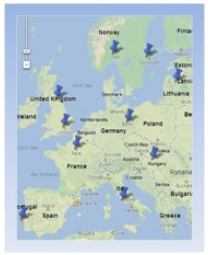

Follow us on: **EASDualCareer**

The Image Portfolio discussed above will be available on the website with a click through option to the relevant event or story.

The Archive System will simply store any information in the relevant folder, with a consistent layout throughout.

Google Maps Pin Drop has been created as a visual aid, allowing website viewers to locate the member institutions and details (if approved by the institution and the representative member).

EAS The Dual Career Network
